

1. Sign up here: <https://www.twilio.com/try-twilio>
 - a. Complete name, email, and password (note down password because you'll need it later)
 - b. Click the terms checkbox
 - c. Then click "Start your free trial" button
 - i. You may need to complete a puzzle to prove you're not a bot.
2. Next is the verification process
 - a. After clicking the button, you should have been sent an email confirmation. Go to your email inbox and click the confirmation link in twilio's email.
 - b. After clicking the link, you'll be redirected to the next verification process, cell phone.
 - i. Type in your cell phone number and click the button.
 - ii. You'll be sent a code to your cell phone. Copy and paste into twilio code field and click button.
 - c. Now you should be at this screen:

Ahoy Johnny Automation, welcome to Twilio!

Tell us a bit about yourself so we can personalize your experience. You will have access to all Twilio products.

*Which Twilio product are you here to use?

*What do you plan to build with Twilio?

*How do you want to build with Twilio?
 With code
Customize exactly what you want
 With minimal code
Build on top of our code samples
 With no code at all
Launch a starter app with no code

Your billing country is United States. [Change](#)

- d. Here's how you can complete the questions:

*Which Twilio product are you here to use?

*What do you plan to build with Twilio?

*How do you want to build with Twilio?
 With code
Customize exactly what you want
 With minimal code
Build on top of our code samples
 With no code at all
Launch a starter app with no code

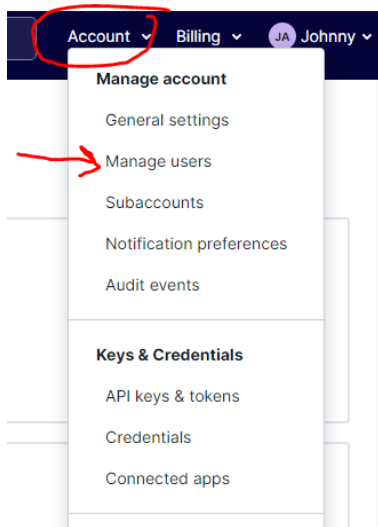

*What is your goal today?

Your billing country is United States. [Change](#)

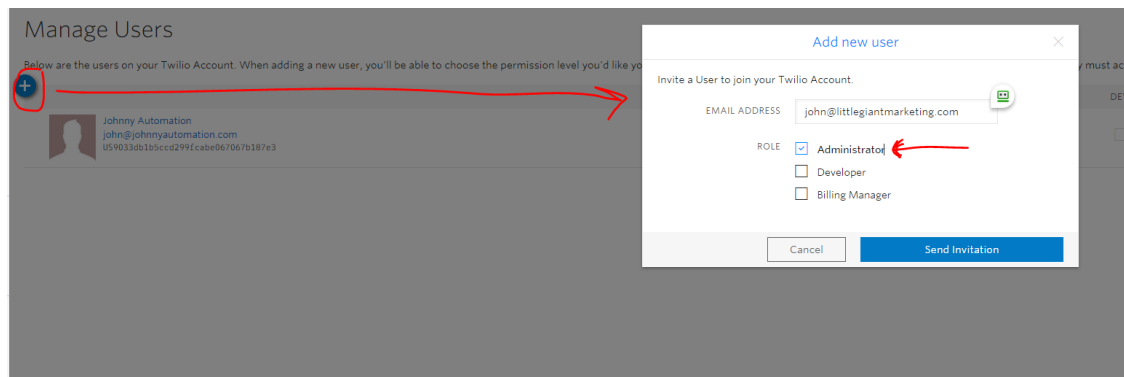

[Get Started with Twilio](#)

- e. When questions are filled in, click button to get started.
3. Next, you'll be adding me as an account user.
 - a. If they put you into a demo, you can x out or keep clicking "Next" then "Done"

b. In the top right, click on “Account” and then “Manager Users”

- c. Twilio is going to ask you to authenticate your password since it's our first time navigating within the console. At the bottom of the screen, click the red button “Authenticate to make changes” button and then type in your password you used when setting up.
- d. Now you should be at the “Manager Users” screen
- e. Click the blue + button to add a user
- i. Email address: john@littlegiantmarketing.com
 - ii. Role: Admin

- iii. Click Send Invitation
- iv. Done!
